[Verse 2]

I'm not even angry
 I'm being so sincere right now
 Even though you broke my heart
 And killed me - and tore me to pieces
 And threw every piece into a fire
 As they burned it hurt because I was so happy for you

[Chorus 2]

Now these points of data make a beautiful line
 And we're out of beta, we're releasing on time
 So I'm GLaD I got burned
 Think of all the things we learned
 For the people who are still alive

[Verse 3]

Go ahead and leave me
 I think I prefer to stay inside
 Maybe you'll find someone else to help you
 Maybe Black Mesa
 That was a joke, haha, fat chance
 Anyway, this cake is great, it's so delicious and moist

[Chorus 3]

Look at me still talking when there's Science to do
 When I look out there, it makes me GLaD I'm not you
 I've experiments to run
 There is research to be done
 On the people who are still alive
